Welcome to 2021 Danspiration Open Zoom Online International Ballroom Dance Championship.

This is our first time organizing a Zoom online Championship after our last Championship back in 2019. It is quite a challenge to organize a Dance Championship during this difficult period of time.

Our main goal are to encourage all the dancers to keep dancing eventhough we are facing a very challenging time at this moment.

I would love to give my gratitude and thanks to many parties that make this happen. To all the Parents who entrusted Danspiration Team with the path of their kids; Adjudicators, Dance coaches & competitors who believed in us with their kind support; Special thanks to Aleena Tan from Singapore for being the Championship Adviser and lastly, 2021 Danspiration Open Team who work day & night to ensure the event run smoothly.

I wish everyone a good time and have fun dancing today.

Howard Loke
